## HERE IS WHAT TO LOOK FORWARD TO AT THE SEPTEMBER MEETING:

WACA

Whispers of a **Rare Winchester Display**... The buzz is that one of the big surprises at our upcoming meeting just might be a special Winchester display by Life Member **Andrew Lawhorn**. Rumor has it, he's bringing along an **original 1985 Chevrolet Outdoorsman truck**—a limited-edition model born out of a promotional partnership with Winchester. Each truck was paired with exclusive Winchester memorabilia and even a Special Edition Chevrolet Winchester rifle. With fewer than 200 ever produced, this unique combo has become the stuff of legend in both Winchester and American automotive history.

If the whispers are true, this is one display you won't want to miss!

Adding to the weekend, our friends, the **Winchester Arms Collectors Association (WACA)**, will be showcasing some of the finest Winchester firearms and antique memorabilia. It's also a perfect opportunity to meet their members and learn something new.

And let's not forget **Jesi Bennett**, Firearms Records Specialist from the **Cody Firearms Records Office**. Jesi will be on-site to provide expert serial number research for Winchester, Marlin, L.C. Smith, Ithaca, Savage, and A.H. Fox firearms. With documentation available at a reduced Cody Firearms Museum member rate, this is an excellent opportunity to add historical depth and increased value to your collection.

## Make the most of your Saturday, September 27th!

There's plenty to do at the Lorain County Fairgrounds!

**Saturday, September 27, 2025, is Constitution Day**, and there is an event going on at the fairgrounds co-chaired by **OGCA Life member Jim Dowdell**. Jim encourages you

to spend Saturday at the OGCA meeting, and then walk over to Fair Hall, Building 19, for their "**First Annual Founders Bash - Celebrating the Constitution**" with patriotic music, food, refreshments, colonial reenactors and games. It is sponsored by the Lorain County Republican Party and goes until 8:30 p.m. Flier at right. Link to website:

<https://www.loraincountygop.org/founders-bash>

It's easy to enjoy both events back-to-back. If you're planning to attend the bash, you might want to grab early bird tickets and bring a few friends or family members along—it's designed to be a celebration for all ages.

This event is not affiliated with OGCA, but will be happening just across the way. It is open to the public, and tickets can be purchased at the Building 19 door, through their website, or by scanning the QR code to pre-order. Discounted tickets are available through September 15th.
